## UX + UI Designer

I'm 27 years old, living in France and ready to shift !

I've passed **DUT** Services and Communication Networks 2008 - 2010

Then **LICENCE** License Activities and Communication Technology 2010 - 2011

And finally a **MASTER** Digital Creation 2011 - 2013

## Experience

**Lejourselfève** — Rouen, France Feb - Aug 2010

Graphic & Web Design, Touchable Interface

**Vert Marine** — Rouen, France Feb - Aug 2011 & Aug 2012

Graphic Design, Motion & Video Production

**Bmobile** — Lille, France Feb 2013 - Sep 2015

Product design, Email Responsive, Usability Testing, UX & UI Design

Lille, France Sep 2015 - Now

Freelance, building [getcollect.io](#)

## Interests & Skills

User Experience

User Interface

Interaction

Motion Design

Product Design

Front end

I have a good knowledge in prototyping and some practice in 3D

When I'm not designing, I'm enjoying everything that a normal human love,  
like **traffic jam**, **empty fridge** & **mosquitoes**.
